**Calling All Artists!
Humboldt Arts Council Annual Member Exhibition**

The annual member exhibition at the Morris Graves Museum of Art is a juried exhibition designed to highlight the fabulous art being produced by our artist members. We invite you to submit one piece of your artwork for consideration to be included in this year's exhibition. Open to current members of the Humboldt Arts Council or join on entry day. Submissions are \$15 per entry, limit one entry. Work can be from the visual arts discipline-drawing, painting, photography, ceramics, sculpture, fiber arts, and mixed media.

This year's juror is M. Wayne Knight. Professor Knight has been an artist and graphic designer since the early 1970's and is currently an assistant professor in the Art Department at Humboldt State University. Mr. Knight's skills range from traditional easel painting to computer generated art and has exhibited nationally as well as served clients and corporations at the national level. His work has included oil portraiture, illustration, video, and a full range of graphic design products including print design, web construction and corporate identity. He is a highly skilled traditional artist who has embraced the computer as a natural extension of artist's tools. Currently he is working on "Characters" that are drawn freehand with a stylus and pad directly into the computer. He has recently turned his attention to teaching full time and divides his time between a home in the hills above Ukiah and a home in McKinleyville. To see the breadth of Mr. Knight's work please visit his website at www.mwayneknight.com
